Dear Staff and Volunteers of Calvary School:

I just wanted to take the time to express our gratitude for all those who helped shape our children's lives. With your dedication and attention to each of their individual needs, you have provided a valuable sense of direction and a foundation of ethics that has already been noticed by others. In fact, teachers in our schools always say they can see such a difference in the "Calvary children". The schools have noticed how well-rounded, disciplined, and advanced these children are. We attribute much of that initial character to the staff and volunteers who influenced our children's life early on.

We greatly appreciate the positive impact you all have made on the developmental stages of our children's lives! We cannot begin to thank you enough!

Sincerely,

Past, Present, and future Calvary Parents
