## 2017-2018 Registration

On February 8th your school board voted to increase the daily tuition rate for the 2017-18 school year to \$26.00 per day. Current enrolled families have received their Child Registration forms for the 2017-2018 school year. Please fill out the necessary paperwork and return it to Sue Ignaczak. If you have any questions please stop by the Director's office. Thanks!

## Open House/Art Show

**Our annual Open House/Art Show will be held on Thursday, March 23rd from 5:30pm-7:30pm.**

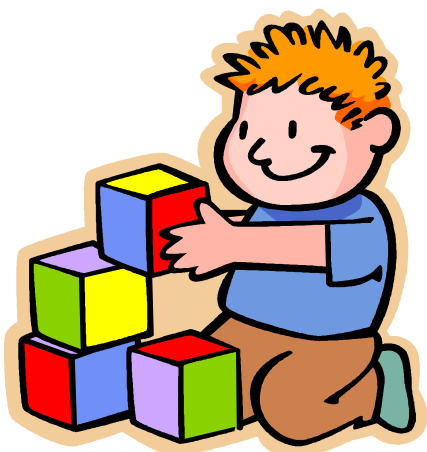

This is an opportunity for you to see some of the great artwork the children have done this year, and it also gives you a chance to chat with the other parents and teachers. It is also a night that we invite families who might be interested in Calvary Pre-School to come by and check out our school. Please feel free to talk to them. Do you have any family or friends looking for a pre-school? Please invite them to attend. Any questions please stop by the office, or ask your child's classroom teacher. We look forward to seeing you and sharing the joy and excitement the children bring to us through their art.

Silent Auction Items  
Needed

Calvary Pre-School will be holding our Silent Auction. Bidding begins on March 20th and concludes at 7:00 p.m. Thursday, March 23rd. If you would care to donate any items, gift certificates or cash to assemble a basket, please stop by the Kitchen Office by Thursday, March 9th. Monies earned will go towards playground equipment, classroom toys and educational manipulatives. Then remember to BID, BID, BID! :) We thank you for your continued support.

# OPEN ENROLLMENT

March begins our open enrollment period for families who are not currently enrolled at Calvary Pre-School. If you know of anyone who is interested in our school please have them give us a call.

Also, if you plan on enrolling your child at Calvary Pre-School for next school year please get your forms in by March 15th. If you have any questions please see Sue Ignaczak.

### Routines for Learning

When parents get involved in learning, children are more successful. Help your youngsters get off to a good start in school by creating habits like these at home:

- Remind your children of rules such as "reading before play or television" Rules show them that learning is a top priority. Also, give them a comfortable place to read or draw without distractions.
- Make time each day to look over school papers. Be sure to look for notes from teachers, and mark important dates on a calendar.
- Sharing at dinnertime is an activity that can go beyond passing the platter. Ask your children to think of one new thing they learned during the day. It might spark an interesting conversation among everyone.
